

KCACTF REGION 2

Information Update

10/27/2008

REGISTRATION FEE & DEADLINE REMINDERS:

Don't forget that it's time for schools to register for FESTIVAL!!
Pre-registration allows financial planning for festival, and allows you the opportunity to breathe and prepare.

Registration is \$75 per person and must be made PRIOR to December 9th. (Later registrations and on-site registrations are \$85 per person.)

TO SAVE MONEY...

We do have an extended early bird registration rate. If you register BEFORE November 15th, it is only \$65 per person!! So please take advantage of this rate if at all possible.

Please note:

- 1) Schools should register their entire group in a single registration.
- 2) The contact person should be someone available on site at festival.
- 3) Finally, if your school has a production INVITED to festival and you need to add registrants to support the production, we will extend your original rate to your additional attendees.
